

Dear CPHA membership;

As you may know, I have accepted the Executive Director and Chief Medical Officer positions at the Colorado Department of Public Health and Environment. Because of this new appointment, I am required to step down as President of CPHA.

Per our By Laws, Kyle Legleiter, our president-elect has agreed to become our new President. Please join me in congratulating him. All Hail to the new Chief!

It has been a great experience serving as president and I am confident our board and the new leadership will continue our strategic plan as we create a strong membership organization. I will continue to be a member and look forward to working with all of you.

Sincerely,

Christopher E. Urbina

Past President, CPHA
